SHOW ME THE MONEY!

THE POWER OF AUTOSHIP

The Immunotec Autoship Program optimizes your well-being and wealth. Every time someone in your organization purchases one of the suggested Autoship Bundle Packs, or creates a 400 PV Autoship of their choosing, you add \$10 to your bank account ... and that's not just once, that's month, after month, after month!

Couple the POWER of Autoship with the POWER of your network and you will begin to understand the true VALUE of the Autoship Advantage!

This is your **FIRST GENERATION**. At this level, you earn **\$40**. Take that off the cost of your own Autoship!

This is your **SECOND GENERATION**. At this level, you earn **\$160 + \$40 = \$200**. Your monthly Autoship is now **FREE** and you're in the money!

This is your **THIRD GENERATION**. At this level, you earn **\$640 + \$160 + \$40 = \$840!** You could buy a beautiful new car, or pay your mortgage with that kind of money. By working part-time, you've already made your life easier and the rewards are beginning to look very attractive.

This is your **FOURTH GENERATION**. At this level, you earn **\$2,560 + \$640 + \$160 + \$40 = \$3,400** per month! That's an extra **\$40,800** in your bank account in a year!! Now, your lifestyle changes. You can afford the luxury vacations you've always dreamed about. You can pay for a college education for your children. How do you want to change your life?

Our illustration looks at four people on Autoship and goes down four generations because that size of organization is reasonable for someone who wants to do the Immunotec business part-time. Do you have bigger dreams than that?
